STANDARD: Written policy, procedure and practice shall establish that for cases in which the juvenile is placed in a licensed Resource Home and the court requests Foster Parent Reports, the Community Supervision Agency shall provide JJA-0090 form to the foster parents. The Community Supervision Agency is responsible to provide at least two weeks notice as to when the report is due by informing the foster parents of their responsibility to submit the report form to the court every six (6) months as to the juvenile's progress, while the juvenile remains placed in their home. The six-month time period begins with the youth's placement in the foster home.

DISCUSSION: Relative Resource Homes and Kinship/Non-related Kin Care Homes are not subject to this standard as they are not licensed Foster Homes.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies and their employees/contractors and juveniles under supervision. They are not intended to establish state created liberty interests for community supervision agencies or their employees/contractors, or supervised juveniles, or an independent duty owed by the Juvenile Justice Authority to community supervision agencies, or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
